WASHINGTON

Dear Allen:

I have received the attached original letter from the Bureau of Public Information of the American Latvian Youth Association.

Because of your interest in the field of minority groups, I thought I should find out from you whether I should respond to this communication and if so what you thought should be said. Perhaps it is not necessary to answer it at all. On the other hand, you might think it desirable merely to send a one-sentence acknowledgment of receipt.

Sincerely yours,

Robert Cutler
Special Assistant
to the President

Dear Bebbyi

I have your letter of 20 Merch concerning the correspondence you received from the American Latvian Youth Association.

The American Latvian Youth Association which claims to have some 3,000 members is strongly anti-Communistic. I see no reason why the letter from the Association should not be answered and would think a very brief enknowledgment would be sufficient. The letter from the Association and the statement "Strategy for Survival" are returned berewith.

Sincerely,

25

Allen W. Dulles Director
